

## President report Hungary

CLIMMAR  
Congress  
2018

PRAGUE  
Czech Republic  
4<sup>th</sup> – 7<sup>th</sup> October  
**SDZT**

## Actual situation

After two decreasing years (2014-15),  
we have increasing values in the sales  
in 2016-17.

The previously promised subsidies have opened at the end of 2017, so the investments increased and the farmers started to buy new machines.
