This year we are celebrating the 20th anniversary of our organization

We are bigger and bigger.

- 120 companies are currently associated in our Chamber (101 were last year).
- 6 next applications will be voted at the next meeting of the Chamber Council in November.

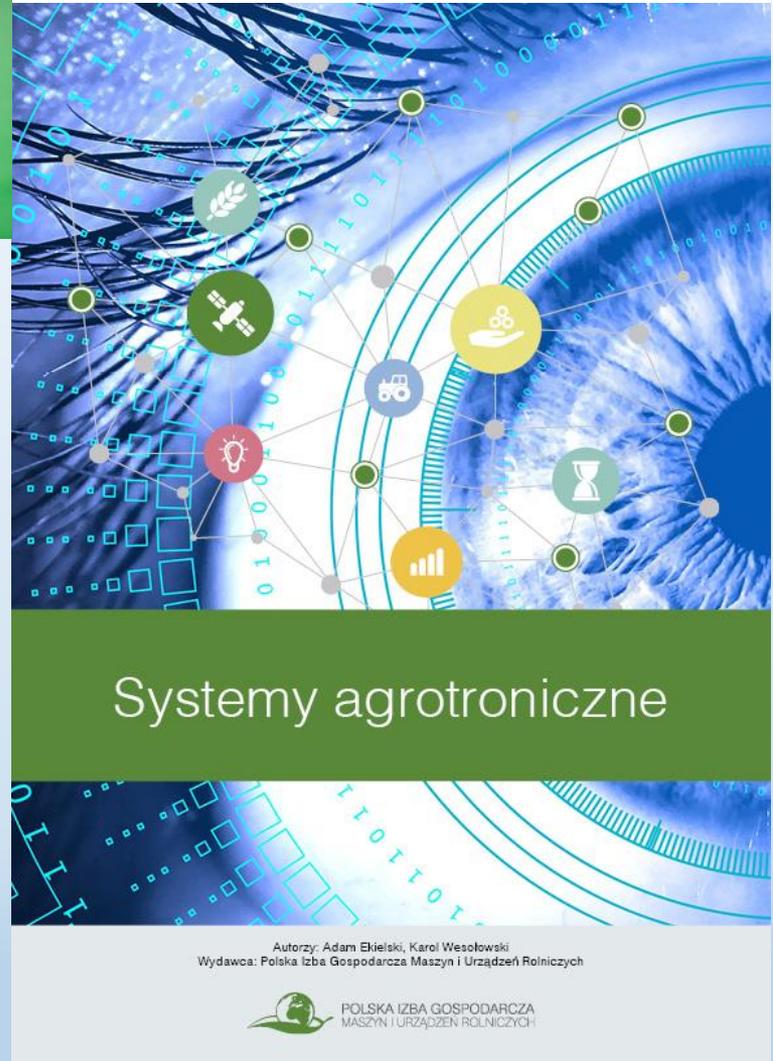

## Issues and problems 2019:

- low level of co-financing under EU subsidies from the rural development program,
- lack of young qualified staff,
- elections and new government - the victory of the old team, rather unchanged in the current policy,
- common agricultural policy, new EU budget.

## Our initiatives:

- „Agrotronic systems” – first book about mechatronic in agricultural
  - pdf available on the www site for free after prior registration
  - the printed version was sent to schools teaching mechanization in agriculture and forwarded to journalists of the trade press
  - meeting with teachers

## Our initiatives:

- Euroskills 2020
  - next year first time we will participate in Euroskills in Graz
  - together with selected experts, we prepare competitor to participate in the competition

## Our initiatives:

- Erasmus +
  - we are on the beginning of this project
  - we plan to implement educational projects together with our Dutch and Hungarian colleagues

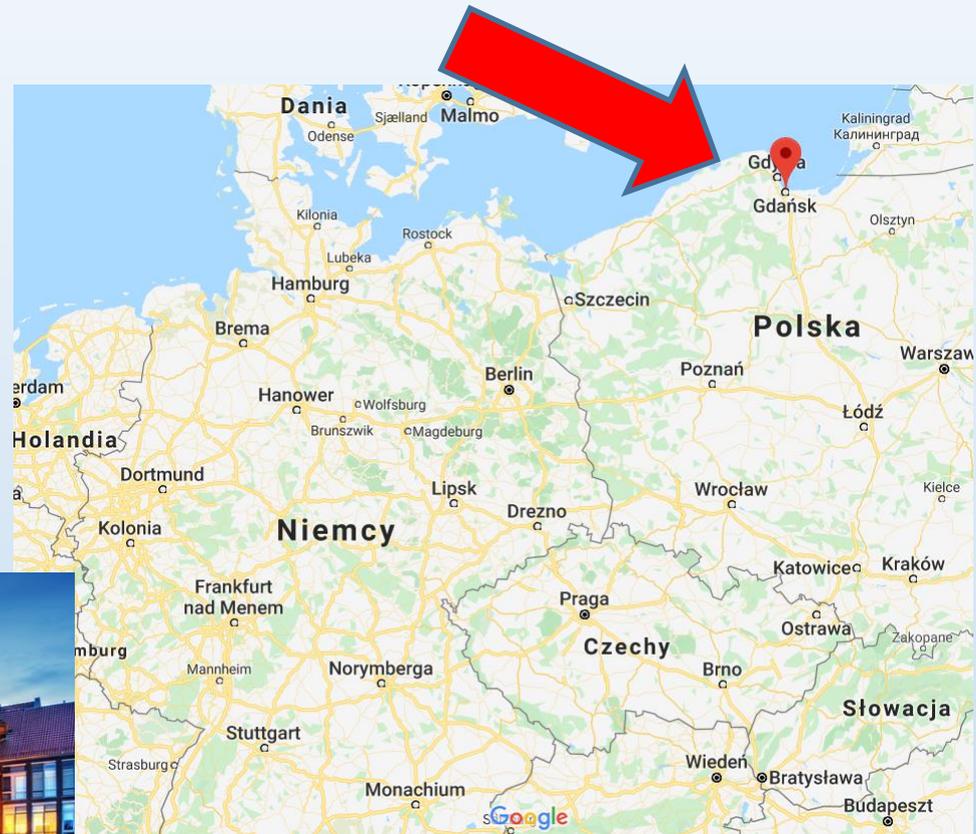

## Our initiatives:

- Forum of Agricultural Machinery Dealers
  - first edition
  - problems with attendance
  - next year we need to work on the format of this project
