Training and Education

- Constant Government Review of Apprenticeships and training
- New technical Qualifications to be introduced in 2023 for 16 year olds for further technical education, 1080 learning hours with 80% on the job
- Funding keeps getting reduced
- Industry is being challenged by all the changes
- BAGMA is spending a lot of time working on government committees to ensure training is fit for purpose.

BAGMA Activities

- More focus on Digital marketing. Winner of an Association Excellence Award for our Digital News Briefing
- Better Social Media Activity
- New CRM system and Web Platform for better integration
- More member contact with the BAGMA Connect Group, an informal members group
- Record year for BAGMA one day training courses. Record income.
- Stable membership numbers.
- Working closely with other industry groups for better recognition of the Landbased Engineering Industry
- Developing recruitment materials and programmes for better industry awareness
