Czech Republic  
Situation as to October 2020

## Covid-19

### Spring 2020

- Very good course, some restrictions, but very few people infected.
- Czech PM Babiš: „**We are the best in Covid**“.

### Autumn 2020

- Enormous increase in the number of infected people.
- Reality: now we **are really the best in Covid** (unfortunately not in the fight against it).

## Association News

### **April 2020**

- Techagro Agricultural Technology Fair canceled by agreement between the exhibitors and the organizers.
- The new term: April 2021.

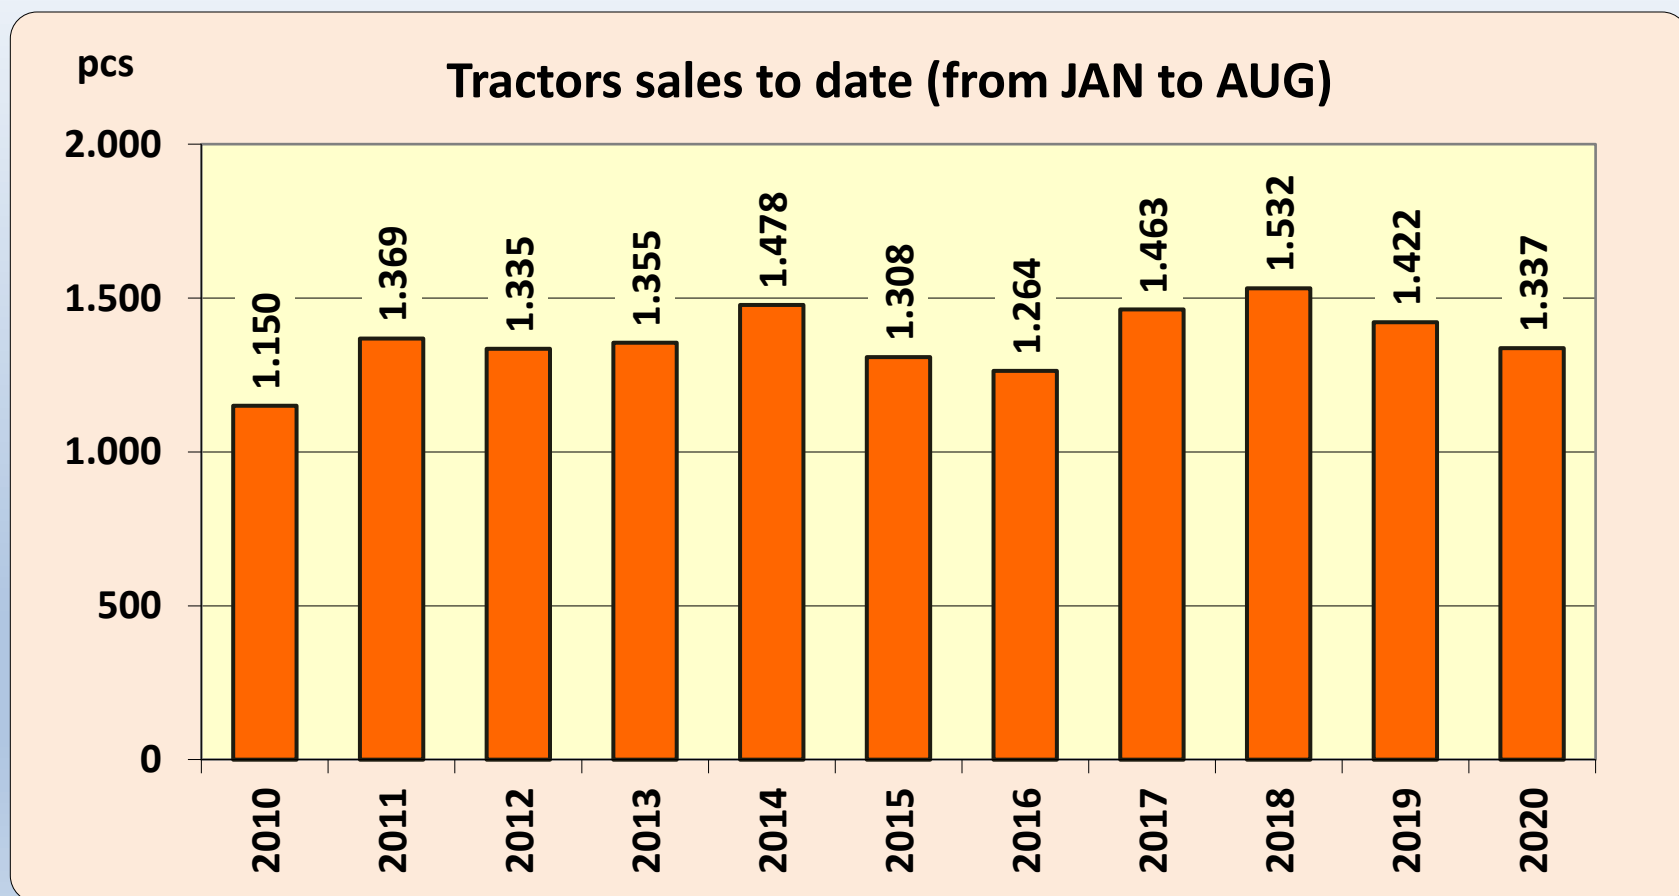

### **June 03, 2020**
