A GREAT EIMA, AS USUAL

What we have planned for Eima 2021:

- 5 conferences (among which we repeat the **TAO**)
- The Climmar press conference for the presentation of the DSI;
- Mech@grijobs, our workshops dedicated to students
- **Double set-up**: the first in hall 36 called "digital workshop the future is already in the field", and the second, in hall 35 dedicated to the Garden, called "the safe garden";
- Stand dedicated to Climmar

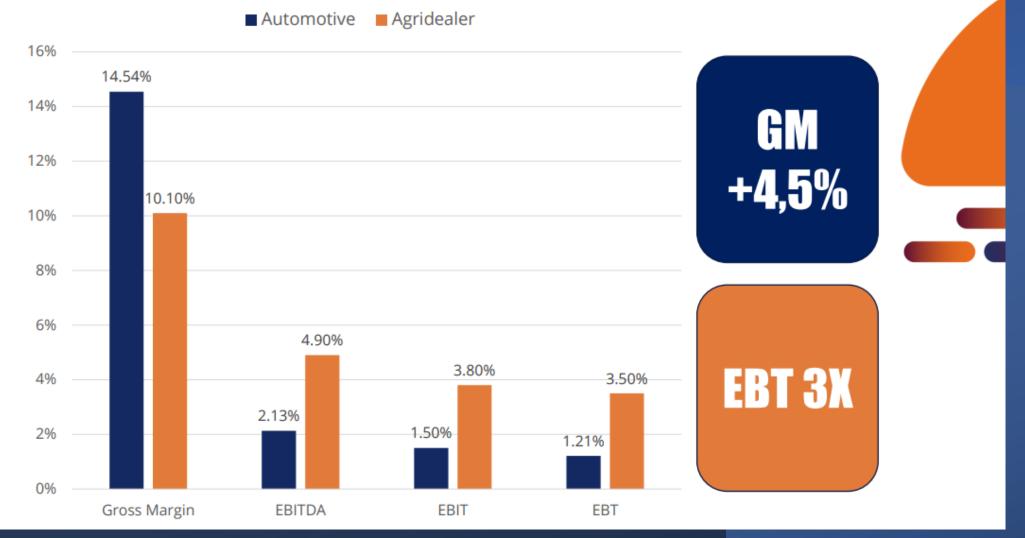

TAO and TAO 2

Acquisitions, mergers and financial statements

- **TAO 1** took place on **15 September in Verona** (with the speakers Robert Gruber of and Marco Mazzaferri of AGCO);
- TAO 2, will take place at Eima International, Bologna, on 20 October 2021, at 4.30 pm in the Alemanna Room;
