

Country situation : Belgium

Nitrogen Crisis continues

- Nitrogen-crisis
- Decree on the table
- Innovation and pilot-stables needed

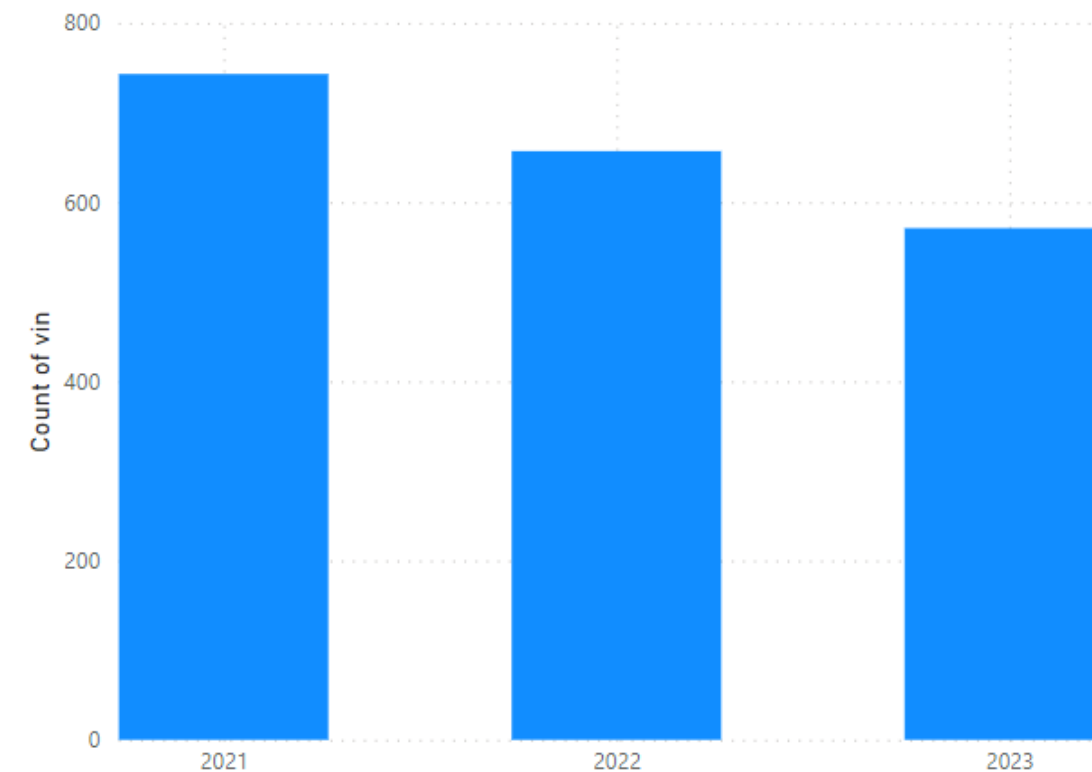

Industry situation: Belgium

Slowing market

- Low orders – High stock
- Tractors +50hp slight ↗
- Tractors -50hp -15%

- Haymaking equipment up
- Orders from contractors down
- Cereal harvesters
- Deliveries are going faster
- Discounts in gardening sector

Organisation situation: Belgium

Projects

Finished

- Websites
- Risk assessment documents
- Fair Potato Europe
