## **PRESIDENT REPORT**

CLIMMAR CONGRESS ROTTERDAM 2013

### OUR CONGRESS :

A beautiful moment in Gruss Circus for the end of Alain Dousset's term as President and Michel Bombon's retirement

CLIMMAR CONGRESS ROTTERDAM 2013

11/09/2013

## WITH EMOTION

## A NEW BOARD, A NEW GENERAL SECRETARY

## ACTUAL ACTIONS

## SIMA 2013 : A COMMON STAND SEDIMA AXEMA TO ENHANCE OUR SECTOR

#### INNOVATION

#### COMPETITIVENESS

#### **EMPLOYMENT**

CLIMMAR CONGRESS ROTTERDAM 2013

## SIMA 2013 : ACTION WITH THE MANUFACTURERS TO PROMOTE OUR JOBS

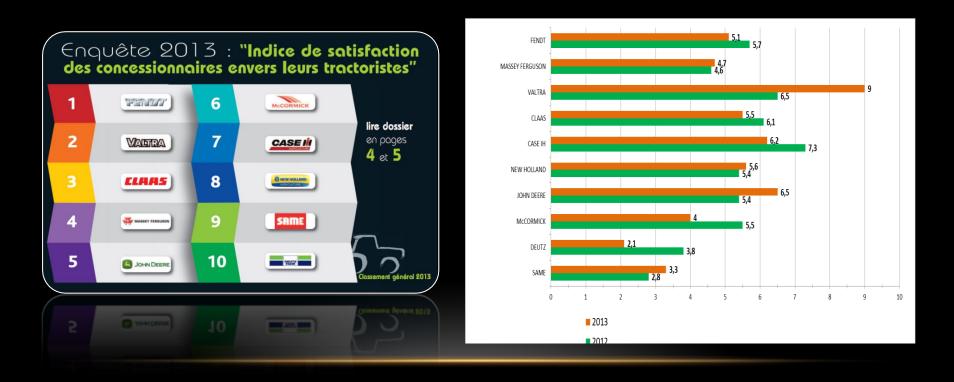

## DSI INQUIRY 2013

- 9th inquiry in France
- All results sent to manufacturers and dealers except chapter 1

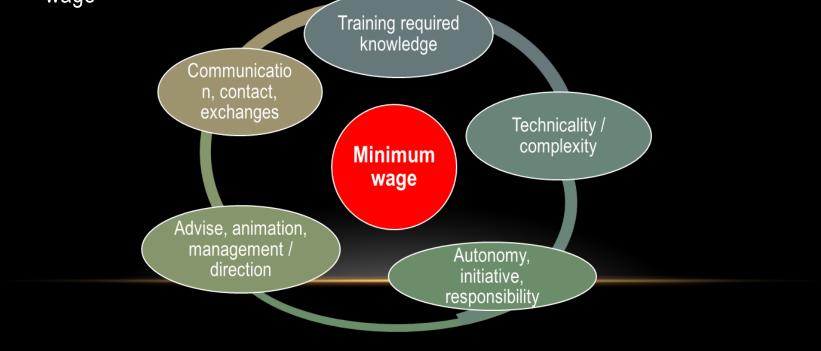

- the priorities of the new board,
- the results of the survey DSI
- And the economic situation

- One new system of classification which defines the contents of the jobs, the required skills and determines the salary from objective criteria;
  - Every criterion contains several levels which give points.
  - The total of points obtained in each of criterion opens straight ahead to a minimum wage

- The prevention of the hardness of the work : Obligation for the employer to realize index hardness cards for all the employees and to take the measures for reduce it
- An audit concerning hardness has been done and was realized in the branch with test dealers

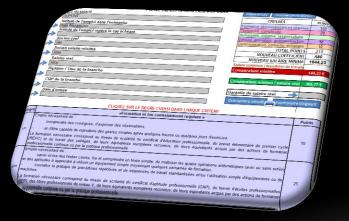

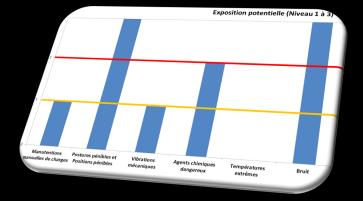

## TO HELP OUR MEMBERS ABOUT THESE SUBJECTS

- Training
- Excel tools

- Employment and training
- Actions towards manufacturers to focus on the costs of the nonquality (spare parts – labour – transport for the whole delivered equipment)
- To bring information concerning special dealership activities outside tractor activities (garden machinery, wine growing, milking equipment)
- To value the service
- Improvement of our own communication to let know the actions of Sedima

## YOU ARE ALL INVITED TO OUR REGIONAL TOUR IN NOVEMBER AND DECEMBER ! (BUT IN FRENCH)

#### Welcome to France and thank you for your attention !
