CLIMMAR and Euroskills

CLIMMAR participates in the Euroskills assemblies and is also a partner member of Euroskills organisation.

This participation started for the Spa competitions in 2012.

The work done in each country for the promotion and the success in Lille convinced us to pursue the collaboration until at least the 2016 competitions.

The next Euroskills competitions will be held in Sweden in Gothenburg from November 30th to December 3rd, 2016.

How does it work ?

Each country organises its own competition, with the rules of the country. If not yet organised, the contact with the Skills organisation in the country will be useful.

The first one goes to EuroSkills competition.

CLIMMAR is not involved in WorldSkills but each country can also send one candidate to the WorldSkills international competition, the next one will be in Soa Paulo in August 2015.

This decision has to be taken in each country

Next steps

The national competitions in each country.

The next EuroSkills competition will be held in Sweden in Gothenburg from November 30th to December 3rd, 2016.

For information, the French national final will be held in Strasbourg from January 29th to January 31st, 2015. This is a good way to see how it is organised and the impact for the promotion and the communication.
